**BUDGET 2011-2012/ISOTHERMAL COMMUNITY COLLEGE**

County Manager John Condrey provided an update on the 2011-2012 recommended budget. He noted that the recommendation was to fund the schools and the college at the same level as was included in the 2010-2011 budget.

Dr. Myra Johnson, President of Isothermal Community College, said the budget presented by the college showed a slight increase but this was a reflection of mandated increases suffered by the college.

Mr. Stephen Matheny presented more details on the budget of the college which included an additional position for ½ year at the Rutherfordton Elementary School site being utilized by ICC. There were no salary increases included in their budget proposal. The medical insurance and retirement contributions increase has been adjusted to reflect the proposed rates set forth in the Governor’s budget. The medical insurance represents an increase of .46% and the retirement contribution percentage has been increased from 10.51% to 10.61%.

The total requested increase for 2011-2012 by Isothermal Community College was \$33,424.
