

ADDENDUM # 1 – August 6, 2013

RENOVATIONS TO RUTHERFORD COUNTY COURTHOUSE TAX OFFICES FOR RUTHERFORD COUNTY

Commission Number: 3089, July 9, 2013

This addendum shall form a part of the drawings and specifications for this project. Bidders are responsible to any sub-bidders who are affected by this addendum.

ARCHITECTURAL

General:

1. General Contractor shall be responsible for hiring a lien agent for this project.

Specifications:

1. Reference Section 01500 – Temporary Facilities, 01: A temporary field office is not required.
2. Reference Section 01900 – Special Provisions: Conduit for IT runs and cubicles shall be in place no later than October 4th to allow for installation of IT equipment by Owners representatives.
3. Reference Section 06410 – Pre-manufactured Casework: Miller’s Custom Cabinets is an approved manufacturer of the pre-manufactured casework.

MECHANICAL

Drawings:

1. Reference sheet M1.2: Add detail 2/M1.2, as shown on attached Mechanical Bulletin Drawing MBD1. All grilles and diffusers furnished on this project shall have Radiation Dampers.

ELECTRICAL

Drawings:

1. Reference sheet E2.2, note 3 with Floor Plan: Coordinate exact location of actuators for automatic doors with Owner on job.
2. Reference sheet E1.0, Light Fixture Schedule:
 - a. Add to the description of type A2 fixture, “Provide with fire-rated (FR) option and a U.L. listed one-hour fire-rated troffer protection cover, Tenmat FF130 or equal.”
 - b. Add to the description of type A2E fixture, “Provide with fire-rated (FR) option and a U.L. listed one-hour fire-rated troffer protection cover, Tenmat FF130 or equal.”
 - c. Add to the description of type A3 fixture, “Provide with fire-rated (FR) option and a U.L. listed one-hour fire-rated troffer protection cover, Tenmat FF130 or equal.”
