Bid Package reference: Type III Ambulance RFP

Bid package addendum:

PAINT BELT AND COLORS: The main body color shall be Oxford White with the county logo in silver and blue color stripe size of stripe will be decided prior to painting. The stripe shall originate on the left front fender, following O.E.M. contours, until the belt can become 11 inches high. The belt shall wrap around the body until it terminates on the right front fender, unless specified otherwise in the paragraph below. We also have a design and color scheme that will be given to the elected bid winner for the colors of the belt and design.
