Re: Relay for Life

Date: April 12th, 2010

It's that time of year again, time for Relay for Life. An opportunity for all of us to have fun while helping advance a cure for Cancer and provide up to date treatment.

We will be having **DRESS DOWN FRIDAYS** again this year. Each Friday from May 7 – September 10 will be an opportunity for you to dress casually, as well as, help raise money for Relay for Life. Tickets can be purchased from the Human Resources Office. The price for the tickets is \$3 per Friday, \$10 for one month, or \$35 for the entire summer—19 weeks (WHAT A BARGAIN!). Sign up on the attached page, and then deliver this memo to HR with the money. Dress Down stickers will be returned to the department.

In order to participate, you must wear the sticker showing you have paid. Casual dress means t-shirts, jeans, capris, crop pants, or shorts. However, nothing should be too tight, ragged or have anything suggestive imprinted on it. **THANKS**, in advance for your support, and enjoy DRESS DOWN FRIDAYS that benefit Relay for Life.
