

MOUNTAINS BRANCH LIBRARY PRESENTS...

Brightstar Children's Theater, **Captain Friendship and the Bully Bandit** on Thursday, August 6, 2015 @ 2:00 p.m. It's a bird, it's a plane, it's Captain Friendship! Our superhero-themed show offers young audiences the opportunity to stand up to a bullying bandit, empowering superhero powers to the audience who, by stopping the bully, realize that they were the true superhero all along!

AND AS A BONUS...

American Tales & Tunes, Thursday, August 6, 2015 @ 5:00 p.m. Folk songs and folktales from across America come to life in this musical-filled adventure. We've delved deep into American literature, from the Jack Tales of the Appalachian region to the fishing docks of New England, and have created a vibrant and energetic show. It seamlessly blends these fantastic regional stories with classic American folk songs from Shenandoah to Shady Grove. You'll be toe-tapping along with these timeless songs.

Both performances will take place in the Mountains Library Community room. These family programs are free and suitable for all ages.

The Family Arts & Literacy Summertime Celebration Series is funded by generous grants from the Lake Lure Community Education Foundation and Friends of the Mountains Branch Library.
