

Brief Update

December and January have been very exciting months for the County Commissioners' Office. Three new Commissioners were sworn into office on December 1:

- Bryan King, from District 1, elected as the new Chairman for the upcoming year
- Alan Toney, from District 5, elected Vice Chairman
- Michael Benfield from District 4

The new Board members hit the ground running. Tours to County Departments were conducted to familiarize them with County Government.

The County Manager has been extremely busy staying in close contact with the county

needs. All departments remain diligent and full of activity.

Join with the Transit Department in congratulating driver **Danny McFarland**, Employee of the Month for January.

Congratulations to **Hope Bailey**, social worker in the Adult

Services Unit, selected as Employee of the Quarter. Hope has been employed with the agency since June 2001.
