Typically known as the Fourth of July and Independence Day, July 4th has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution (1775-83). In June 1776, representatives of the 13 colonies, then fighting in the revolutionary struggle, weighed a resolution that would declare their independence from Great Britain. On July 2nd, the Continental Congress voted in favor of independence, and two days later its delegates adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 until the present day, July 4th has been celebrated as the birth of American independence, with typical festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues. **Happy 4th of July!**

Airport

The Airport sold 1,291.0 gallons of Jet A to 5 aircraft and 845.1 gallons of 100LL to 23 aircraft last week.

This aircraft was used as a primary trainer for the French Air Force. Although still painted in her military colors, she is now privately owned and flew into Rutherford County last week for fuel.

Board of Elections

This is the final week of filing for Soil and Water Conservation Supervisor. To date we have only had one candidate file. A large mailing was sent for voters to verify their addresses when the post office has a record of their having moved.

County Manager and Commissioners

The following are several events and activities in which the County Manager, Commissioners and staff were involved over the last few days:

- Meetings with several County departments, including Planning and Projects, Economic Development, and Finance.
- County Attorney meeting regarding various projects
- Broad River Water Board meeting
- Met with Town of Rutherfordton Manager and Fire Chief
- Department Head Performance Evaluations
- ICC Soccer Complex Plan Review Meeting
- Agenda Review meetings with Commissioners for upcoming Board of Commissioners' meeting
- Luncheon Meeting with Congressman Patrick McHenry (photos)
- Webinar - NCACC Manager's Weekly Legislative Update

Other activities, meetings, and events that took place this week were discussion/luncheon with Congressman Patrick McHenry among elected officials (**pictured left and above**), presentation of flag to Clerk of Court by Congressman McHenry (**pictured on page 3**), individual meetings with citizens, numerous calls, inter-office meetings, conference calls, public relations, advising, and preparation for various responsibilities.

Alex Toney, son of Vice Chairman Alan Toney, attended the Gardner Webb Science Academy which was recently featured in the Daily Courier. (**Pictured third from left on back row.**)

Congressman Patrick McHenry presenting Clerk of Court with a flag that has flown over the US Capitol.

Economic Development

This week the Economic Development Department met with an existing industry to discuss an expansion opportunity, worked with existing industries to assemble proper documentation needed for grant agency progress reports, worked with the Finance Department to balance line items in preparation for close out of FY15-16, and met with the County Manager to provide an update on economic development activities within the county

Fire Marshal/Emergency Management

The Fire Marshal:

- assisted with Kids and Cops and concert event in Forest City.
- responded to one origin cause fire investigation.
- completed annual addendum contracts for all fire departments.

Deputy Fire Marshal:

- participated in field training with Forensics.
- performed maintenance on equipment.
- attended several meetings.
- assisted Shingle Hollow Volunteer Fire Department with a non duty firefighter death.

Finance Department

The Finance Office processed accounts payable. Director Paula Roach and Assistant Director Apryl Tesener attended interdepartmental meetings.

Human Resources

The HR Director held meetings to discuss personnel issues, exit interviews, and retirements. The Director attended several meetings and conducted interviews along with James Kilgo for the Convenience Center Supervisor position.

Intern Alan Toney II, worked on salary comparisons with local counties, revamping performance appraisals, and sat in various interviews (**pictured left**). Our summer intern is developing skills while doing a great job.

The HR Specialist attended a seminar sponsored by the NC Retirement System in Asheville on Monday.

Library

April Young – April ordered patron requested books as well as processed new inventory. She also consulted with two students in a Master of Library Science program concerning internships. April also chose books and stocked four of the Little Libraries (Whitehouse Community, Golden Valley Community, American Legion Post 74, and Gilkey Community Center). Thank you to Maintenance for installing the Little Libraries!

Nicole Morse – Nicole spent Tuesday running between Haynes, Mountains, and County Libraries with the Soap

Bubble Circus for the first Summer Reading Program entertainer. Between the three libraries, she had almost 300 in attendance. That is out of about 325 that registered!!! Due to the 4th of July holiday, there will not be a program July 5th, but we will resume July 12, 2016. Nicole also held her first Haynes Branch STEM MakerCamp on Saturday. She had 17 in attendance for this free program. **Photos above and right.**

Kenneth Odom – Kenneth has been working with patrons and their technical difficulties. He works daily with people on the public computers doing resume help, technical help, navigational problems, and Maker Space ideas. Kenneth has also been working to set up pre-loading learning tablets that will be available soon for checkout for Pre-K through Adult.

Maria Davis – Maria helped April navigate the county to stock the new Little Libraries and take photographs for news releases. Skip Watts, CFNC, hosted a seminar at County Library for adults needing information on college. He spoke about the application process and many different types of financial aid. Skip was very informative and I hope to have him back soon for people that were unable to make this meeting. Maria has been “selling” the first ever Adult Reading Program. Over 75 participants registered at the three libraries. We did our first weekly drawing yesterday and had two winners!

Book Signing

Bob Covert will visit all three Rutherford County Libraries to read from his newest book, *A Slide on the Bus and 24 Other Short Stories*. Books will be available for purchase and Bob will gladly sign autographs.

Senior Center

The Senior Center hosted our “Ice Cream Shop” on Monday and our seniors enjoyed a delicious summer treat.

The seniors participated in a fun activity on Tuesday morning where they were asked a variety of questions and then matched up their memories with certain animal personalities and characteristics. Later, on Tuesday afternoon, we had one of the Center’s favorite activities --- “Butterbean Auction”. The Center hosted two intergenerational activities this week.

On Wednesday, we had a coloring activity and asked the participants to bring their grandkids.

Then, on Thursday we had bowling with grandkids at Autumn Lanes.

Lastly, on Friday, the seniors showed their patriotism by wearing red, white, and blue in honor of the upcoming Independence Day.

Upcoming:

Soil & Water

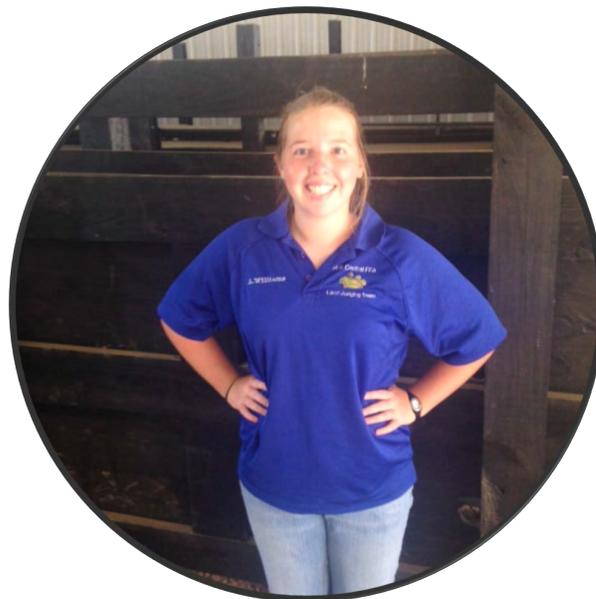

The Admin/Education Specialist:

- completed Fiscal Year Closing for Soil & Water and Watershed.
- completed Safety Inspection Checklist.
- worked on Farmland Ordinance and tract updates.

The Ag. Cost Share Technician:

- worked with NRCS on CSP.
- met with farmers.
- worked on BMP certification.

Amy Williams started as our summer intern with the ICC apprenticeship program. Amy graduated from RS Central High school in 2014 where she was active in the FFA program. She now attends ICC and is majoring in their new Ag Business program and will enter their 2+2 partnership with NC A&T once she finishes her associate degree. Her family runs a cattle farm in the Green Hill area and Amy hopes to work with Soil and Water one day but also take over the family farm.

Welcome, Amy!

Solid Waste

Recycling loads shipped to Conover 2

Tire customers 34

The director continues to work on the budget and reports. Also this week, the director has his review with the County manager and interviews were held for the convenience center supervisor position. The office staff continues to assist our customers while preparing for the year end items that have to be completed. We also will have several state reports that are due in August so staff has already started them. The transfer station staff is processing all the recycling and MSW tonnages that are coming in. The shop staff has been busy with preventative maintenance and repairs. The C&D staff has been busy with the tonnages that are coming in while continuing to haul dirt for cover. The airport staff continues to mow grass, weed eat and bush hog at the airport as needed. The airport looks great!. This crew will begin bush hogging of the closed landfills soon. The Solid Waste staff would like to thank Terry James for his years of service as the convenience center supervisor. His last day is June 30th and we all hope he has a great retirement. Please continue to make an effort to recycle!

Transportation Services

Emergency Medical Services:

Congratulations to our three newest Field Training Officers: Samantha Golovner, Lindsay Crowder and Roc-Anthony Smith. We are excited to promote these paramedics to new positions within our department. EMS also participated last week in Kids-N-Cops and received an award for Best EMS Unit.

Transit Department:

Several Transit staff members attended the webinar from last week concerning the changes that have been made to the scheduling software. The software updates were installed this week and will help speed up several of our processes by making it easier to view multiple areas from one screen. This enables any staff making an appointment entry for a passenger to look up information if it is not already auto filled without going to multiple fields. Work continues on preparing the two new transit vans for service. With the upcoming holiday, Transit would remind everyone to be safe either when driving or enjoying time with friends. It is extremely dry and hot and caution should be taken to avoid accidents or injury.
