Senior Center

September is National Senior Center Month. This year’s theme is “Find Balance at Your Center!” Every day we want to help provide ways for older adults to find balance and whole person wellness at our senior center. Our goal is to provide ways for seniors to be engaged physically, mentally, and emotionally in our community. During the month of September we will have a variety of programs and activities to celebrate National Senior Center Month.

The Senior Center hosted “Use It or Lose It” on Tuesday. We encourage seniors to engage in thinking games as well as learning new skills and hobbies to continually keep the brain functioning and alert. Studies show that the brain requires a consistent workout to stay sharp just like the body does to stay strong. Our seniors enjoyed the Center’s version of “Family Feud” on Wednesday. On Thursday we had a “Name That Tune” activity sponsored by Rodney Greene. Lastly, on Friday we held our second annual “Cruise In” Car Show.

Transit continues to see a growth in the number of riders per month since going fare free on the Deviated Fixed Route (see table below).

June	380	696	45%

Aug	348	791	56%

Transit received the first of our next three vans this week. It is a 8-passenger lift van. We should receive the remaining two vans within the next couple of weeks. The new style transit van is proving to be a popular vehicle among our riders and drivers. We are very pleased so far with them. In our continued work on our Success Plan, we have been conducting passenger surveys this week. The drivers are offering to all riders an anonymous survey when they enter a vehicle to fill out while in transit to their destination. Participation of our passengers and caregivers willing to do survey has been very good. The survey is very short and simple and asks riders how their experience with Transit in the past has been, what we could do better and if they would recommend Transit to their friends. These questions cover the passengers experience from making appointments to arriving back home. Preparations for Employee Appreciation week continues. All numbers are down this week due to Labor Day holiday closure.

Why Should Kids Have ALL the Fun?

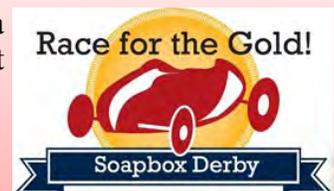

Our adult only soapbox derby is the only one of its kind in the region and is a fabulous way to show your community spirit. Have you ever dreamed of owning your own NASCAR team? This is your big chance as companies, churches, schools and other organizations build their own cars to compete or sponsor independent teams. What a unique and high impact promotional opportunity!! Local sportsmen can build their own cars, too (refer to the rules page document for all the particulars).

Race organizers carefully pick two equally matched cars to compete in side by side, do or die heats until a winner is declared. Don't be surprised if you see a water gun or two or other crazy antics as teams do whatever they can to make it to the end of the race course and to the top of the winner's podium.

As much fun for the fans as it is for the participants, this events appeals to both young and old and will produce a ton of smiles!

Friday, September 30 at 7 p.m., Downtown Rutherfordton

Grandparents Day

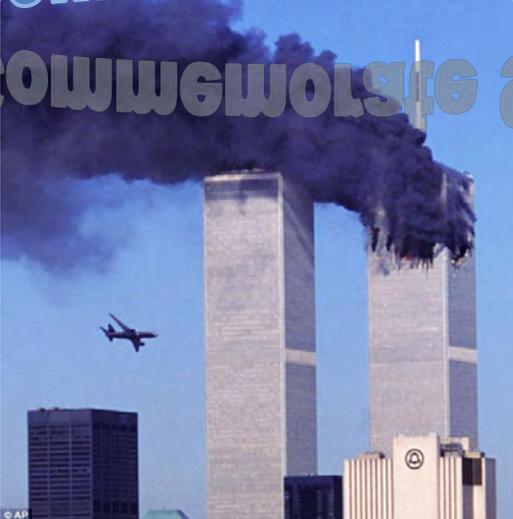

September 11, 2016

Marian McQuade, a housewife from West Virginia, began with the simple idea of supporting the elderly in nursing homes, and ended with a new holiday, **National Grandparents Day**. Declared a national holiday by President Carter in 1978, it is now celebrated every year on the first Sunday after Labor Day. The official flower of the holiday is appropriately the “Forget-Me-Not.” A grandparent is a special part of all that's cherished in the heart. Let's all honor those who paved the way for us, and let us never forget them! Happy Grandparents' Day!
